

ATHLETIC CONTESTS/SCHOOL DISMISSED

On days the county system is dismissed because of inclement weather, hazardous highway conditions, potential flood conditions, etc., all athletic contests and practices shall be postponed. This action is based on county-wide dismissal and does not include catastrophic conditions involving individual schools. This policy may not be affected if the principal feels that conditions are such that practice or games can be continued without jeopardizing player safety.

Notification of this policy shall be submitted in writing to all opponent and officials.
